IMPORTANT INFORMATION REGARDING YOUR BENEFITS AND THE PENSION PROTECTION ACT

On March 24, 2008, the Pension Fund's actuary certified that the Pension Fund is in critical status under the Pension Protection Act (PPA), and notice of this fact was given to all participants on April 8, 2008. With respect to plans in critical status, the PPA creates a category of "adjustable benefits," which generally includes all benefits other than a contribution based pension payable at age 65; these benefits may be eliminated or reduced in the future (even for participants that have retired and already begun receiving their pensions), largely depending on whether the participant's employer (or former employer) continues to participate in the Pension Fund and agrees to a contribution schedule sufficient to maintain current benefits. Although the Pension Fund anticipates that the vast majority of bargaining units will elect a contribution schedule that keeps current benefits in place, because of the possibility of a reduction or elimination in benefits, you should weigh your decision to retire with care. In addition, under the PPA, the Pension Fund cannot guarantee that it will never be required to change its existing rules concerning adjustable benefits. However, in the event your adjustable benefits are reduced or eliminated in the future, you will receive a separate notice at least 30 days prior to the effect of any such benefit reduction.

I hereby authorize the Central States, Southeast and Southwest Areas Pension Fund, and the financial institution shown below, to deposit my pension benefit directly into my account each month. PAYMENT OPTIONS

If you are single when you retire, your benefit will be paid as a single life annuity under the Lifetime Only Option or the Lifetime with Limited Surviving Spouse Option, depending on the Benefit Class you were at when you retired.

If you are married when you retire, the normal form of payment is the Joint and 50% Surviving Spouse Option. The Joint and 50% Surviving Spouse Option provides for a reduced monthly payment for your lifetime so that in the event you die before your spouse, 50% of your reduced monthly benefit will continue to your spouse for the remainder of his or her lifetime.

For those pension benefits effective on or after March 1, 2008, the Fund now offers an optional Joint and 75% Surviving Spouse Option form of payment. However, you will receive your retirement benefit in the form of the Joint and 50% Surviving Spouse Option unless you affirmatively elect the Joint and 75% Surviving Spouse Option or waive both Joint and Surviving Spouse Options. If you choose to waive both Joint and Surviving Spouse Options, we will require your spouse's written, notarized consent as explained in the attached forms.

Attached are the following forms, one of which must be completed and returned to Central States, Southeast and Southwest Areas Pension Fund, at the address below, before your retirement benefit can be paid. No form, Election or Waiver, that is signed more than 180 days prior to your retirement date will be accepted.

- (1) The pension benefit that I would otherwise be eligible to receive will be adjusted to a lesser amount, on the basis of actuarial equivalence (as explained on Page 8a and in accordance with the accompanying JSO Pension adjustment charts), in order to provide a lifetime benefit to my spouse after my death.
- (2) For purposes of this election, my "spouse" is the person to whom I am married on my "Effective Date" (the first day of the month following my retirement date), **and** in the event that I designated a retroactive retirement date, the person to whom I am still married on my "Initial Payment Date" (the date on which the Pension Fund first begins paying my retirement pension). EXPLANATION OF JOINT AND SURVIVING SPOUSE OPTION

Central States, Southeast and Southwest Areas Pension Fund ("Central States") provides you, as a Participant eligible to receive a lifetime monthly retirement pension, with an optional form of payment, called the Joint and Surviving Spouse Option ("JSO Pension"). If you elect the JSO Pension, your benefit amount will be **less** than the full retirement pension you have earned. This is because under the JSO Pension form of payment, benefits are paid for the longer of two lives (your and your spouse's), and therefore your full benefit (which would otherwise be paid out for your lifetime only), must be actuarially reduced. This **reduced** JSO Pension amount (described below) is paid for your lifetime and upon your death, if that same spouse survives you, he or she will receive a monthly survivor pension (equal to 50% or 75% of your reduced JSO Pension amount) for the rest of his or her life - even if he or she later remarries. The difference between your full retirement pension benefit (which is the amount payable to you if you waive the JSO Pension form of payment and your spouse consents to that waiver) and your JSO Pension amount is determined by (1) your choice of either the 50% or 75% surviving spouse benefit, and (2) your age and your spouse's age on your retirement date. The accompanying charts outline the various adjustment factors.

Federal law requires that **if** you are married when your retirement pension begins to be paid (your "Initial Payment Date"), to the same person you were married to on the first day for which your retirement pension is payable (your "Effective Date"), your monthly pension must be distributed in the JSO Pension form of payment **unless** both you and your spouse sign and file with Central States a valid and timely waiver of that option, witnessed and confirmed by a notary public.

Description of the JSO Pension

Reduced JSO Pension Amount. Central States will inform you, upon request, of the amount of your full retirement pension payable at your selected Retirement Date (this full pension is the unreduced lifetime amount payable to you if you waive the JSO Pension and your spouse consents to that waiver).

In addition, Central States will, upon request, provide written confirmation of your reduced 50% or 75% JSO Pension amount.

Effect on Your Spouse of a Waiver of the JSO Pension. If you and your spouse file with Central States a valid, timely and jointly signed JSO Pension waiver and, while receiving your full retirement pension, you die and are survived by your spouse, your spouse will **not** receive **any** further benefits from Central States unless (1) you earned at least 20 years of Service Credit (of which at least 10 years is based on Contributions), **and** you attained age 50 before leaving active participation in Central States Pension Fund, or (2) you qualified for a 25-And-Out or 30-And-Out Pension. If you meet the above criteria, your spouse will receive (a) the remainder (if any) of the first 60 months of payments of your full retirement pension if you retired at Benefit Class 4 or higher, or (b) a single \$1,000 payment if you retired at Benefit Class 3A or lower.

Identification of Your Spouse. For all JSO Pension purposes, your "spouse" is the person to whom you are married both on the date on which your retirement pension actually begins to be paid to you ("Initial Payment Date") and on the first day for which your retirement pension is payable ("Effective Date"). Thus, if you elect a **retroactive** Retirement Date and as a result you receive a single **retroactive** payment of all monthly benefits due from your Effective Date to your Initial Payment Date, only the person who is your spouse, both on your Initial Payment Date **and** on your retroactive Effective Date, is (1) eligible to receive the survivor share of your JSO Pension (if the JSO Pension is elected), or (2) authorized to consent to your waiver of your JSO Pension (if the JSO Pension is waived), unless a qualified domestic relations order requires otherwise.

Election Period: Waiver of JSO Pension. To be valid and effective, your and your spouse's jointly signed waiver of the JSO Pension, duly notarized, must be filed with Central States within an *election period* that begins 180 days before your Effective Date and ends 90 days after your Initial Payment Date. Mail your jointly signed (and notarized) waiver of the JSO Pension to: Central States, Southeast and Southwest Areas Pension Fund, P.O. Box 5109, Des Plaines, IL 60017-5109. You may also later send to Central States (P.O. Box 5109, Des Plaines, IL 60017-5109), within the same *election period*, your signed **revocation** of a previously submitted JSO Pension waiver. **No changes** to your pension payment form and amount can be made after that *election period* expires (except as noted in the next paragraph).

Increase of JSO Pension Amount After Subsequent Death or Divorce of Your Spouse. If you are receiving a JSO Pension and your spouse (for JSO Pension purposes) dies first, your reduced JSO Pension will be increased to your full retirement pension the month after your spouse's death. Or, if you are receiving a JSO Pension and your spouse (for JSO Pension purposes) executes a specific written waiver of all rights to and interest in your JSO Pension, and if that waiver is incorporated in a court-approved property settlement agreement that is part of a judgment or order entered by a court of competent jurisdiction in a divorce, marriage dissolution or marital separation proceeding, your reduced JSO Pension will be increased to your full retirement pension the month after that judgment or order is entered.

I DO NOT WISH TO RECEIVE MY RETIREMENT PENSION IN THE FORM OF THE JOINT AND SURVIVING SPOUSE OPTION ("JSO PENSION").

I HAVE READ THE JSO PENSION EXPLANATION ON PAGE 9A, AND I UNDERSTAND THE FINANCIAL EFFECTS, TO MYSELF AND MY SPOUSE, OF NOT ELECTING TO RECEIVE THE JSO PENSION, INCLUDING (BUT NOT LIMITED TO) THE FOLLOWING:

- (1) No benefits will be paid to my spouse from the Pension Plan after my death unless (1) I earned at least 20 years of Service Credit (of which at least 10 years was based on Contributions), and I attained age 50 before leaving active participation in Central States Pension Fund, or (2) I qualified for a 25-And-Out or 30-And-Out Pension. - (3) This waiver is revocable by me up until 90 days after my Initial Payment Date (the date on which the Pension Fund first begins paying my retirement pension) **but cannot be later revoked or changed under any circumstances.**

Consent to Waiver by Participant's Spouse

I, _____ (insert your name), am the spouse of _____ (insert name of Participant). I understand that I have the right to require the Central States Pension Fund to pay my spouse's (the Participant's) retirement benefits in the form of a Joint and 50% Surviving Spouse Option ("JSO Pension"), which would be a monthly lifetime benefit to my spouse in a reduced percentage (as explained on page 9a), and, upon his/her death, a monthly lifetime benefit to me equal to 50% of my spouse's JSO Pension amount. **However, my spouse has elected to waive this option and I, by signing below, am consenting to this decision. As a result, I agree that I will never be eligible to receive any survivor, death or other benefits from the Central States Pension Fund except as described in paragraph (1) above.** I am signing this waiver document voluntarily.

Adjustment Factors for Joint and 50% Surviving Spouse Option (50% JSO Pension)

Calculating the reduced 50% JSO Pension amount for benefits effective on or after 3/1/2008:

- Using the chart below, find the adjustment factor corresponding to the age of the member and the age of the member's spouse (in complete years) on the retirement date.
 - (For example, a member who is age 60 and whose spouse is age 57 at retirement – the adjustment factor would be .9010)
- Multiply the member's full (unreduced) retirement pension by this factor to determine the monthly pension benefit with the 50% JSO Pension.
- In the event of the member's death, the spouse will be entitled to 50% of the reduced monthly pension benefit.
- In the event of the spouse's death, the member's pension will be restored to the full (unreduced) pension amount on a prospective basis.

Adjustment Factors for Joint and 75% Surviving Spouse Option (75% JSO Pension)

Calculating the reduced 75% JSO Pension amount for benefits effective on or after 3/1/2008:

- Using the chart below, find the adjustment factor corresponding to the age of the member and the age of the member's spouse (in complete years) on the retirement date.
 - (For example, a member who is age 60 and whose spouse is age 57 at retirement – the adjustment factor would be .8586)
- Multiply the member's full (unreduced) retirement pension by this factor to determine the monthly pension benefit with the 75% JSO Pension.
- In the event of the member's death, the spouse will be entitled to 75% of the reduced monthly pension benefit.
- In the event of the spouse's death, the member's pension will be restored to the full (unreduced) pension amount on a prospective basis.
